## SECTION I – ELIGIBILITY, EFFECTIVE DATE, AND TERMINATION

### PRIMARY INSURED

#### Eligibility

An Employee is eligible to be covered under this Plan if he is Actively at Work for the Policyholder and included in the class that is eligible for coverage, as shown on the Master Application.

**If this coverage is offered to members of a union, references to “Employee” throughout the Plan documents shall be considered to refer to union members who are Actively at Work for their employer.**

*Insureds* are defined as those who might be eligible for coverage under this Plan in the following categories:

- **Employee Coverage** – We insure only the Employee. The Employee is the **Primary Insured** under this Plan.
- **Employee and Spouse Coverage** – We insure the Employee and Spouse.
- **Employee and Children Coverage** – We insure the Employee and any Dependent Children.
- **Family Coverage** – We insure the Employee, Spouse, and any Dependent Children.

Employees should refer to *Type of Coverage* in their Certificate Schedule to determine who is covered under the Certificate.

Details for adding Insureds to Plan coverage are outlined in the Effective Date provision and the Dependent Coverage – Effective Date provision.

#### Effective Date

The Plan’s Effective Date is shown on the Policy Schedule. This Plan becomes effective on the Policy Effective Date at 12:01 a.m., as determined by the Policyholder’s address.

An eligible Employee must enroll in this Plan and agree to pay the required premiums for coverage to become effective. He must enroll within 31 days of the date he first becomes eligible for coverage. *The first premium must have been paid for coverage to become effective.*

The Employee’s Effective Date is the date his insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if the Employee is Actively at Work on that date, or
- The date the Employee returns to an Actively-at-Work status if he was not Actively at Work on the date shown on the Certificate Schedule.

#### Termination of an Employee’s Insurance

An Employee’s insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date (the last day of the Grace Period), if the premium has not been paid.
- The date he no longer belongs to an eligible class.

If an Insured’s coverage terminates, we will provide benefits for valid claims that arose while his coverage was active.

## DEPENDENT COVERAGE

### Eligibility

Dependents may be eligible for coverage under this Plan. **Employees should refer to the Type of Coverage on their Certificate Schedule to determine Dependent eligibility.** A **Dependent** is the Spouse of an Employee or the Dependent Child of an Employee. An eligible Spouse must be at least age 18.

**Dependent Child** or **Dependent Children** means an Employee's or an Employee's Spouse's natural children, step-children, grandchildren who are in the Employee's legal custody and residing with the Employee, foster children, children subject to legal guardianship, legally adopted children, or Children Placed for Adoption, who are younger than age 26. However, we will continue coverage for Dependent Children insured under the Plan after the age of 26 if they are incapable of self-sustaining employment due to mental or physical handicap, and are chiefly dependent on a parent for support and maintenance. The Employee or the Employee's Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

**Children Placed for Adoption** are children for whom the Employee has entered a decree of adoption or for whom he has initiated adoption proceedings. A decree of adoption must be entered within one year from the date proceedings were initiated, unless extended by order of the court. The Employee must continue to have custody pursuant to the decree of the court.

### Effective Date

- A Dependent may be added to the Plan after the Employee's Effective Date within 31 days after a Life Event or during an approved enrollment period.
- If Employee and Children **or** Family Coverage is already in force, no additional notice or premium is required to add another Dependent Child.
- If Dependent Spouse or Dependent Child coverage is **not** in force, the Employee must complete an Application to add a Dependent to the Plan. The Company will assign a Dependent Effective Date for a Dependent's coverage after approving the Application. For Dependent coverage to become effective, the premium for the Dependent must be included in the premium payment. Spouse and Dependent Child coverage will begin on the date of the Life Event if notice was provided within 31 days after the Life Event.
- If Dependent Child coverage is not already in force, newborn children are automatically covered from the moment of birth for 60 days. Newly adopted children are automatically covered from the earlier of a) placement for adoption, b) the date of entry of an order granting custody of the child for the purposes of adoption, or c) the effective date of adoption, for 60 days. To extend coverage beyond 60 days with no gap in coverage, the Employee must apply to the Company within the 60-day time period following the child's birth or adoption. No premium is due for the first 60 days of newborn/newly adopted coverage.

### Termination of Dependent Insurance

Dependent coverage will terminate on the earliest of the following:

- When the Certificate terminates,
- On the premium due date following the date we receive the Employee's written request to terminate Dependent coverage,
- When premiums are no longer paid for Dependent coverage (subject to the Grace Period),
- For Spouse coverage, when the Insured no longer meets the definition of Spouse because of annulment, divorce, or other reason, or
- For Dependent Child coverage, when the Child no longer qualifies as a Dependent because he reaches age 26 or other reason. (Dependent Children who reach age 26 will have coverage continued until the last day of the month in which they turn age 26.)

### **Plan Termination**

The **Company** has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder,
- The number of participating Employees changes by 25% or more,
- The Policyholder fails to perform any of the obligations that relate to this Policy or that are required by applicable law,
- The Policyholder no longer offers coverage to a particular class of Employees,
- The Policyholder no longer serves a class of Employees who reside in a particular geographical area, or
- The Policyholder does not provide timely information that is reasonably required.

The **Policyholder** has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company receives premium payments after the Plan terminates, this will not reinstate the Plan.

**The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible.** If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

### **Portability Privilege**

When an Employee is no longer a member of an eligible class and his coverage would otherwise end, he may elect to continue his coverage under this Plan. He may continue the coverage he had on the date his Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage, without any additional underwriting requirements.

To keep his coverage in force, the Employee must:

- Notify the Company within 31 days after the date his coverage would otherwise terminate. He may notify us by sending written notice to PO Box 84079, Columbus, GA 31993 or by calling the Customer Service number at 800.433.3036, and
- Pay the required premium directly to the Company no later than 31 days after the date his coverage would otherwise terminate and on each premium due date thereafter.

The Employee's ported coverage will end on the earliest of the following dates:

- 31 days after the premium due date (the last day of the Grace Period), if the premium has not been paid, or
- The date the Group Plan is terminated.

If the Employee qualifies for this Portability Privilege, then the Company will apply the same Benefits, Premium Rate, and Plan Provisions as shown in his previously-issued Certificate. Notification of any changes in the Plan will be provided directly by the Company.

## **SECTION II – PREMIUM PROVISIONS**

### **Premium Payments**

**Premiums should be paid to the Company at its Home Office in Columbia, South Carolina.** The first premiums are due on the Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

### **Premium Changes**

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Group Policy Anniversary Date based on renewal underwriting. (The Group Policy Anniversary Date is shown on the Policy Schedule and falls on the same date each year thereafter.)
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 31-day advance written notice of any change in premiums.

### **Grace Period**

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan's termination date will be the latest date for which premium has been paid.

## **SECTION VI – CLAIM PROVISIONS**

### **Notice of Claim**

The Insured must give written notice of claim:

- Within 60 days after a Covered Accidental Injury, or
- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include the Employee's name and the Certificate number. Notice can be mailed to the Company at the following address:

**PO Box 84075, Columbus, GA 31993**

### **Proof of Loss**

*Proof of Loss* refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as Hospital bills and operative reports. It can include a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at the following address:

**PO Box 84075, Columbus, GA 31993**

Proof of Loss must be given to us within 90 days of the Covered Accidental Injury. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Covered Accidental Injury, except in the absence of the Claimant's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from Hospitals or Doctors. The Claimant will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

### **Physical Examination and Autopsy**

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams and/or autopsy.

### **Time of Payment of Claims**

Benefits payable under the Certificate will be paid after we receive due Proof of Loss acceptable to us. We will pay, deny, or settle all clean claims\* within 30 calendar days after receiving the appropriate information.

\*Clean claims contain all information and/or documentation needed for processing. These claims do not require further information from the provider, the Employee, or the employer.

**Payment of Claims**

We will pay all benefits to the Employee unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

- To any approved assignee,
- To the Employee's beneficiary,
- To the Employee's surviving Spouse,
- To the Employee's estate.

**Unpaid Premium**

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

**Changing of Beneficiary**

A change in beneficiary must be submitted in writing to our Home Office in a form acceptable to us and signed by the Employee. Unless otherwise specified by the Employee, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

**Claim Review**

If a claim is denied, the Employee will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, and
- His right to ask for a review of the claim.

**Appeals Procedure**

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—the Employee, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

**Legal Action**

The Employee may not take Legal Action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, or
- More than three years from the time written proof is required to be given.

(This space left blank.)

## **SECTION VII – GENERAL PROVISIONS**

### **Entire Contract Changes**

This insurance is provided under a contract of Group Accidental Injury Insurance with the Policyholder. The Entire Contract of Insurance is made up of:

- The Policy;
- The Certificates of Insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; and
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

All statements (excluding fraudulent ones) that the Policyholder or an Insured has made in the Application will be considered representations, not warranties. The Company will not void insurance or reduce benefits as a result of statements made on the Application without sending Application copies.

Changes to the Plan:

- Will not be valid unless approved in writing by an officer of the Company,
- Must be noted on or attached to the Contract, and
- May not be made by any insurance agent or producer (nor can an agent or producer waive any Plan provisions).

### **Misstatement of Age**

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

### **Successor Insured**

If an Employee dies while covered under his Certificate and his Spouse is also insured under this Plan at the time of the Employee's death, then his surviving Spouse may elect to become the Primary Insured. This would include continuation of any Dependent Child Rider coverage that is in force at that time.

To become the Primary Insured and keep coverage in force, the surviving Spouse must:

- Notify the Company in writing within 31 days after the date of the Employee's death; and
- Pay the required premium to the Company no later than 31 days after the date of the Employee's death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse, the Certificate will terminate on the next premium due date following the Employee's death.

### **Time Limit on Certain Defenses**

After two years from the Employee's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Employee's Application. This does not apply to fraudulent misstatements.

### **Clerical Error**

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

### **Individual Certificates**

The Company will make available to the Policyholder a Certificate for Employees. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, and
- The rights and privileges under the Plan.

### **Required Information**

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

### **Conformity with State Statutes**

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

## **NOTICE OF PROTECTION PROVIDED BY THE UTAH LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This disclaimer provides a **brief summary** of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. The safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with the funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
  - \$500,000 in death benefits
  - \$200,000 in cash surrender or withdrawal values
- Accident and Health Insurance
  - \$500,000 for health benefit plans
  - \$500,000 in disability income insurance benefits
  - \$500,000 in long-term care insurance benefits
  - \$500,000 in other types of health insurance benefits
- Annuities
  - \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to health benefit plans.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefit as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, please visit the Association's website at [www.ulhiga.org](http://www.ulhiga.org), or contact:
