## Section I – Eligibility, Effective Date, and Termination

### **Eligibility**

An Employee is eligible to be covered under this Plan if he is Actively at Work for his employer and included in the class that is eligible for coverage, as shown on the Master Application.

Dependents of an Employee are eligible for coverage under this Plan. A **Dependent** is:

- The Spouse of an Employee, **or**
- The Dependent Child of an Employee or an Employee's Spouse (details included in the **Definitions** section).

**Insured** means an Employee or eligible Dependent, if any, who is covered under the Plan in the following categories:

- **Employee Coverage** – We insure the Employee and any Dependent Children.
- **Employee and Spouse Coverage** – We insure the Employee, Spouse, and any Dependent Children.

We will not insure anyone specifically excluded from coverage by Endorsement to the Certificate or by application, even if that person would otherwise be eligible for coverage.

Details for adding Insureds to Plan coverage are outlined in the Effective Date section.

### **Effective Date**

The Plan's Effective Date is shown on the schedule page. This Plan becomes effective on the Policy Effective Date at 12:01 a.m., as determined by the Policyholder's address.

An eligible Employee must enroll in this Plan and agree to pay the required premiums for coverage to become effective. He may enroll within 31 days of the date he first becomes eligible for coverage. *The first premium must have been paid for coverage to become effective.*

We may require evidence of insurability satisfactory to us if the amount of coverage applied for exceeds the guaranteed-issue amount, if any, or if we do not receive the Application within 31 days after the Employee was first eligible for coverage. Evidence of insurability may also be required based on an agreement between the Policyholder and us.

An Employee's Effective Date is the date his insurance takes effect. After we receive and approve the Application, that date is either:

- The date shown on the Certificate Schedule if the Employee is Actively at Work on that date, **or**
- The date the Employee returns to an Actively-at-Work status if he was not Actively at Work on the date shown on the Certificate Schedule.

The Effective Date for a Spouse or Dependent Child is:

- The date shown on the Certificate Schedule if that Spouse or Dependent Child is not confined to a hospital and is eligible for coverage on that date, **or**
- The date the Spouse or Dependent Child is no longer confined to a hospital (if that Spouse or Dependent Child was confined to a hospital on the Certificate Schedule date) and is eligible for coverage on that date.

A Spouse may be added to the Plan after the Employee's Effective Date. To be added, the Employee must complete an Application to add his Spouse to the Plan. The Company will assign the Effective Date for a Spouse's coverage after approving the application. For Spouse coverage to become effective, the Spouse must be included in the premium payment.

Newborn children will be covered from the moment of birth, adopted children from the date the petition is filed for adoption, and step-children from the date of the Employee's marriage.

A day begins at 12:01 a.m. standard time at the Employee's, Spouse's, or Dependent Child's place of residence.

## **Plan Termination**

The Company has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder in the signed Master Application,
- The Policyholder does not provide timely information or meet any obligations required by this Plan and applicable law, **or**
- The Company cancels the Plan any time after the end of the first policy year. To do this, the Company must give the Policyholder 31 days' written notice.

The Policyholder has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company accepts premium payments after the Plan terminates, this will not reinstate the Plan; we will refund any excess premium.

**The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible.** If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

## **Termination of an Employee's Insurance**

An Employee's insurance will terminate on whichever occurs first:

- The date the Company terminates the Plan.
- The 31st day after the premium due date, if the premium has not been paid.
- The date he no longer belongs to an eligible class.

Insurance for a covered Spouse or Dependent Child will terminate on the earliest of any of the bullet points listed above, or:

- The premium due date following the date the covered Spouse or Dependent Child no longer qualifies as a Dependent.
- The premium due date following the date we receive the Employee's written request to terminate coverage for his Spouse or all Dependent Children.

If an Insured's coverage terminates, we will provide benefits for valid claims that arose while his coverage was active.

## **Portability Privilege**

When an Employee is no longer a member of an eligible class and his coverage would otherwise end, he may elect to continue his coverage under this Plan. The Employee may continue the coverage he had on the date his Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage.

To keep his coverage in force, the Employee must:

- Notify the Company in writing within 31 days after the date his coverage would otherwise terminate, **and**
- Pay the required premium to the Company no later than 31 days after the date his coverage would otherwise terminate and on each premium due date thereafter.

Ported coverage will end on the earliest of the following dates:

- 31 days after the date the Employee fails to pay any required premium; **or**
- The date the Group Plan is terminated.

If an Employee qualifies for this Portability Privilege, then the Company will apply the same Benefits, Plan Provisions, and Premium Rate as shown in his previously issued Certificate.

## Section II – Premium Provisions

### **Premium Payments**

Premiums for this Plan should be paid to the Company at its Home Office in Columbia, South Carolina. The first premiums are due on this Plan's Effective Date. After that, premiums are due on the first day of each month that the Plan remains in effect.

Payment of any premium will not keep the Plan in force beyond the due date of the next premium, except as set forth in the Grace Period provision.

### **Premium Changes**

The Plan's first Anniversary Date appears on the Policy Schedule. Subsequent anniversaries will be the same date each following year.

Unless we have agreed in writing not to increase premiums, the premium may change:

- On the Policy Anniversary Date based on renewal underwriting.
- Whenever the terms or conditions of the Plan are modified. The new premium rates will apply only to premiums due on or after the rate change takes effect.

We will provide the Policyholder a 31-day advance written notice of any change to a premium.

### **Grace Period**

This Plan has a 31-day Grace Period. If a premium is not paid on or before its due date, the premium may be paid during the next 31 days. During the Grace Period, the Plan will stay in force, unless the Policyholder has given the Company written notice of its intention to discontinue the Plan. If the Plan is discontinued, the Plan's termination date will be the latest date for which premium has been paid.

Once benefits have been paid for a Critical Illness, the Company will pay benefits for each different Critical Illness when:

- The Date of Diagnosis for the new Critical Illness is separated from the prior, different Critical Illness by at least six consecutive months, **and**
- The new Critical Illness is not caused or contributed to by a Critical Illness for which benefits have been paid.

If an Additional Diagnosis claim is for a Diagnosis of Cancer, the Insured:

- The Date of Diagnosis for the Reoccurrence of that Critical Illness is separated from the prior occurrence of that Critical Illness by at least 6 consecutive months, **and**
- The Critical Illness is not caused or contributed to by a Critical Illness for which benefits have been paid.

If a Reoccurrence claim is for a Diagnosis of Cancer, the Insured:

- Must be Treatment-Free From Cancer for at least 12 months before the Diagnosis Date; **and**
- Must be in Complete Remission prior to the date of a subsequent Diagnosis as evidenced by the absence of all clinical, radiological, biological, and biochemical proof of the presence of the Cancer.

## **Waiver of Premium Benefit**

If an Employee becomes Totally Disabled as defined in this Plan due to a covered Critical Illness, we will waive premiums for the Employee and any currently covered Dependents (this includes any Riders that are in force).

**Total Disability** or **Totally Disabled** means the Employee is:

- Not working at any job for pay or benefits,
- Under the care of a Doctor for the Treatment of a covered Critical Illness, **and**
- **Unable to Work**, which means either:
  - During the first 365 days of Total Disability, the Employee is unable to work at the occupation he was performing when his Total Disability began; **or**
  - After the first 365 days of Total Disability, the Employee is unable to work at any gainful occupation for which he is suited by education, training, or experience.

After 90 days of Total Disability, all Plan premiums will be waived if:

- The Employee's Total Disability began before the age of 65;
- The Employee's Total Disability has continued without interruption for at least 90 days, during which time the Employee and/or the Policyholder have paid premiums; **and**
- The Employee provides proof of Total Disability as required by us. Satisfactory Proof of Loss for Total Disability must be provided at least once every 12 months.

Pending our approval of a claim for the Waiver of Premium Benefit, premiums should be paid as they are due. Premiums that were paid for the first 90 days of Total Disability will be refunded after the claim for this benefit is approved.

Waiver of Premium will continue until the earliest of the following:

- The premium due date following the Employee's 65<sup>th</sup> birthday,
- The date the Company has waived premiums for a total of 24 months of Total Disability,
- The date the Employee refuses to provide proof of continuing Total Disability,
- The date the Employee's Total Disability ends, **or**
- The date coverage ends according to the Termination provisions in **Section I – Eligibility, Effective Date, and Termination**.

If the Employee is still eligible for coverage when he returns to Active Work, coverage for any Insured may be continued if premium payments are resumed.

## **Section VI – Claim Provisions**

### **Notice of Claim**

Written notice of claim must be given to us:

- Within 60 days after the Date of Diagnosis, **or**
- As soon as reasonably possible.

When we receive written Notice of Claim, we will send a claim form. If the Claimant does not receive the claim form within 15 days after the notice is sent, written Proof of Loss can be sent to us without waiting for the form. Notice must include the Employee's name and the Certificate number. Notice can be mailed to the Company at:

**P.O. Box 427, Columbia, South Carolina, 29202**

### **Proof of Loss**

*Proof of Loss* refers to documentation that supports a claim. (This information is often found in standardized medical documents, such as hospital bills and operative reports. It includes a statement by the treating Doctor.) Proof of Loss establishes the nature and extent of the loss, the Company's obligation to pay the claim, and the Claimant's right to receive payment.

The Claimant must provide Proof of Loss to the Company at:

**P.O. Box 427, Columbia, South Carolina, 29202**

Proof of Loss must be given to us within 90 days of the Date of Diagnosis. Failure to give Proof of Loss within such time shall not invalidate or reduce any claim if such Proof of Loss is given as soon as reasonably possible. The Company will not accept Proof of Loss any later than one year and three months after the Date of Diagnosis, except in the absence of the Employee's legal mental capacity.

The Claimant will be responsible for the cost of obtaining a completed claim form. We may request additional Proof of Loss, such as records from hospitals or Doctors. We will be responsible for the cost of obtaining these records.

We may require authorizations to obtain medical and psychiatric information as well as non-medical information, including personal financial information.

When we receive the claim and due Proof of Loss, we will review the Proof of Loss. If we approve the claim, we will pay the benefits subject to the terms of the Certificate.

### **Physical Examination and Autopsy**

The Company may have an Insured examined as often as reasonably necessary while a claim is pending. In the case of death, the Company may also require an autopsy, unless prohibited by law. The Company will cover all costs for exams or autopsy.

### **Time of Payment of Claims**

Benefits payable under the Certificate will be paid after we receive due Proof of Loss acceptable to us. We will pay, deny, or settle all clean claims\* within 30 calendar days after receiving the appropriate information.

\*Clean claims contain all information and/or documentation needed for processing. These claims do not require further information from the provider, the Employee, or the employer.

### **Payment of Claims**

We will pay all benefits to the Employee unless otherwise assigned. For any benefits that remain unpaid at the time of death, we will pay those benefits in the following order:

- To any approved assignee,
- To the Employee's beneficiary,
- To the Employee's surviving Spouse,
- To the Employee's estate.

### **Unpaid Premium**

When a claim is paid, we may deduct any premium due and unpaid from the claim payment.

### **Changing of Beneficiary**

A change in beneficiary must be submitted in writing to our Home Office in a form acceptable to us and signed by the Employee. Unless otherwise specified by the Employee, a change in beneficiary will take effect on the date the notice of change is signed. We will not be liable for any action taken before notice is received and recorded at the Home Office.

### **Claim Review**

If a claim is denied, the Employee will be given written notice of:

- The reason for the denial,
- The Plan provision that supports the denial, **and**
- His right to ask for a review of the claim.

### **Appeals Procedure**

Before filing any lawsuit—and no later than 60 days after notice of denial of a claim—the Employee, the Claimant, or an authorized representative of either must appeal any denial of benefits under the Plan by sending a written request for review of the denial to our Home Office.

### **Legal Action**

The Employee cannot take legal action against us for benefits under this Plan:

- Within 60 days after he has sent us written Proof of Loss, **or**
- More than three years from the time written proof is required to be given.

## **Section VII – General Provisions**

### **Entire Contract Changes**

This insurance is provided under a contract of Group Critical Illness insurance with the Policyholder. The entire Contract of Insurance is made up of:

- The Policy;
- The Certificates of insurance;
- The Application of the Policyholder, a copy of which is attached to and made part of the Policy when issued; **and**
- Any Riders, Endorsements, or Amendments to the Policy or Certificate.

All statements (excluding fraudulent ones) that the Policyholder or an Insured has made in the Application will be considered representations, not warranties. The Company will not void insurance or reduce benefits as a result of statements made on the Application without sending Application copies.

Changes to this Plan:

- Will not be valid unless approved in writing by an officer of the Company,
- Must be noted on or attached to the Contract, **and**
- May not be made by any insurance agent (nor can an agent waive any Plan provisions).

### **Misstatement of Age**

If an age has been misstated on the Application, the benefits will be those that the paid premium would have purchased at the correct age.

### **Successor Insured**

If an Employee dies while covered under his Certificate and his Spouse is also insured under this Plan at the time of his death, then his surviving Spouse may elect to become the primary Insured at the current Spouse Face Amount. This would include continuation of any Dependent Child coverage that is in force at that time.

To become the primary Insured and keep coverage in force, the surviving Spouse must:

- Notify the Company in writing within 31 days after the date of the Employee's death; **and**
- Pay the required premium to the Company no later than 31 days after the date of the Employee's death, and on each premium due date thereafter.

If the Certificate does not cover a surviving Spouse, the Certificate will terminate on the next premium due date following the Employee's death.

### **Time Limit on Certain Defenses**

After two years from the Employee's Effective Date of coverage, the Company may not void coverage or deny a claim for any loss because of misstatements made on the Employee's Application. This does not apply to fraudulent misstatements.

### **Clerical Error**

Clerical error by the Policyholder will not end coverage or continue terminated coverage. In the event of a clerical error, the Company will make a premium adjustment.

### **Individual Certificates**

The Company will give the Policyholder a Certificate for each Employee. The Certificate will set forth:

- The coverage,
- To whom benefits will be paid, **and**
- The rights and privileges under the Plan.

**Required Information**

The Policyholder will be responsible for furnishing all information and proofs that the Company may reasonably require with regard to the Plan.

**Conformity with State Statutes**

This Plan was issued on its Effective Date in the state noted on the Master Application. Any Plan provision that conflicts with that state's statutes is amended to conform to the minimum requirements of those statutes.

### **Amendment to Policy and Certificate of Insurance for Group Critical Illness**

This Amendment alters the Policy and the Certificate to which it is attached. Unless specifically addressed by this Amendment, all other Policy and Certificate provisions, definitions, and other terms apply.

#### **Effective Date**

This Amendment becomes effective on the Effective Date of the form to which it is attached.

*The Plan Termination provision is deleted and replaced with the following:*

#### **Plan Termination**

The Company has the right to cancel the Plan on any premium due date for the following reasons:

- The premium is not paid before the end of the Grace Period,
- The number of participating Employees is less than the number mutually agreed upon by the Company and the Policyholder in the signed Master Application,
- The Policyholder does not provide timely information or meet any obligations required by this Plan and applicable law, or
- The Company cancels the Plan any time after the end of the first policy year. To do this, the Company must give the Policyholder 31 days' written notice.

The Policyholder has the right to cancel the Plan on any premium due date.

- To do this, the Policyholder must give the Company at least 31 days' written notice.
- The Plan will end on the date in the written notice or the date the Company receives the notice, whichever is later.

All outstanding premiums are due upon Plan termination. If the Company receives premium payments after the Plan terminates, this will not reinstate the Plan.

**The Policyholder has the sole responsibility of notifying Certificateholders in writing of the Plan's termination as soon as reasonably possible.** If the Plan terminates, it—and all Certificates and Riders issued under the Plan—will terminate on the specified termination date. The termination occurs as of 12:01 a.m. at the Policyholder's address.

***The Portability Privilege provision is deleted and replaced with the following:***

**Portability Privilege**

When you are no longer a member of an eligible class and your coverage would otherwise end, you may elect to continue your coverage under this Plan. You may continue the coverage you had on the date your Certificate would otherwise terminate, including any in-force Spouse or Dependent Child coverage, without any additional underwriting requirements.

To keep your coverage in force, you must:

- Notify the Company in writing within 31 days after the date your coverage would otherwise terminate. You may notify us by sending written notice to P.O. Box 427, Columbia, South Carolina, 29202 or by calling the Customer Service number at 800.433.3036, and
- Pay the required premium directly to the Company no later than 31 days after the date your coverage would otherwise terminate and on each premium due date thereafter.

Ported coverage will end on the earliest of the following dates:

- 31 days after the premium due date (the last day of the Grace Period), if the premium has not been paid, or
- The date the Group Plan is terminated.

If you qualify for this Portability Privilege, then the Company will apply the same Benefits, Premium Rate, and Plan Provisions as shown in your previously-issued Certificate. Notification of any changes in the Plan will be provided directly by the Company.

You or your Spouse must furnish proof of this incapacity and dependency to the Company within 31 days following the Dependent Child's 26th birthday.

***Children Placed for Adoption*** are Children for whom you have entered a decree of adoption or for whom you have initiated adoption proceedings. ## **NOTICE OF PROTECTION PROVIDED BY THE UTAH LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This disclaimer provides a **brief summary** of the Utah Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. The safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with the funding from assessments paid by other insurance companies. (For the purposes of this notice, the terms "insurance company" and "insurer" include health maintenance organizations (HMOs) and limited health plans.)

The basic protections provided by the Association are:

- Life Insurance
  - \$500,000 in death benefits
  - \$200,000 in cash surrender or withdrawal values
- Accident and Health Insurance
  - \$500,000 for health benefit plans
  - \$500,000 in disability income insurance benefits
  - \$500,000 in long-term care insurance benefits
  - \$500,000 in other types of health insurance benefits
- Annuities
  - \$250,000 in the present value of annuity benefits in aggregate, including any net cash surrender and net cash withdrawal values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$500,000. Special rules may apply with regard to health benefit plans.

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Utah law.

Benefits provided by a long-term care rider to a life insurance policy or annuity contract shall be considered the same type of benefit as the base life insurance policy or annuity contract to which it relates.

To learn more about the above protections, please visit the Association's website at [www.ulhiga.org](http://www.ulhiga.org), or contact:
