

WORKER'S COMPENSATION

Tristar Risk Management
Claims Inquiries and Customer Service:
(801) 713-9140 ext 2228

All diagnostic testing, hospital admittance (both in and out patient), physical or chiropractic therapy must be pre-approved by Tristar Risk management in advance. Failure to obtain approval will result in denial of service and billed charges.

IN THE EVENT OF A LIFE OR LIMB THREATENING EMERGENCY,
injured workers should seek care from the nearest hospital emergency facility.
In less critical situations, employees are required to seek medical care from
one of the providers below

Jordan School District has elected a managed care program for their workers' compensation plan.

You must remain in the network to obtain full payment of services.

All employees should only obtain treatment for work related injuries from the following providers:
